Acra-Plant Cultivator Points & Sweeps

Acra-Plant Acra-Tuff Alloy Points and Sweeps are made in USA and will wear 3-4 times longer than hardfaced high-carbon steel cultivator tools and up to 6 times longer than plain high-carbon tools! Acra-Plant points and sweeps will wear sharp and hold their shape throughout their long wear life. You'll reduce downtime, especially on really wide implements.

All cultivator tools come with mounting hardware and the 671-series points and sweeps, and 690-series Danish line tools come with a neoprene spacer to assure proper fit and absorb shock.
